Subject: ph data package with AOPC layer
Date: 05/14/2009 11:07 AM

Hi Carrie and Margaret-

Attached is the data package- there's a spreadsheet in there with the original location of the additional files. Please don't distribute the AOPC layer yet- lets talk about what will be sent to the LWG and in what format.

Thanks!
Ben

This Email message contained an attachment named
DataPackage.zip
which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
